

January 2010

Dear Rhythmic Friends,

On behalf of the rhythmic program at USA Gymnastics, welcome to the United States for the 2010 Los Angeles Tournament of Champions!

As a rhythmic gymnast myself, I always looked forward to competing in this memorable event every year. Since then this tournament has grown to include more and more young athletes and bigger and brighter stars—a great testament to the work of U.S. rhythmic icon Alla Svirsky and the Los Angeles School of Gymnastics.

I wish everyone great success and happiness not only here in the United States but all year as you reach for your dreams!

Best of luck,
